El Amor No Tiene Fronteras Love Has No Borders

By Waverly Neer

A little after 10 in the morning the black passenger bus carrying thirty of my peers and I arrives at the dusty grounds of Mano Amiga School in Puebla, Mexico. The three story, plainly ordained building stands backdrop to the young children we have traveled to meet. I gaze out the window into their expectant faces, this once a year occurrence when American students pay a special visit to spend the day with them is highly anticipated. Their excitement bubbles as we step off the bus, unintentionally disobeying their teacher's instructions, they rush to greet us. They are all smiles and ask questions such as ¿Tiene chicle? Do you have gum? Or ¿Cuál es su nombre, ¿Cuántos años tienes? What is your name? How old are you? For these brief moments I forget that I am on a missions trip with my school. I overlook the fact that these children come from the most desperate of situations, that their lives aren't commonplace and they struggle to survive everyday. Their hopeful expressions and laughs cover and conceal the reality that many won't receive a

meal tonight. Their light-hearted manners hide the truth that most of them have been abused. They come from torn and tattered backgrounds; they sleep in the rubble many of us wouldn't lay eyes on, and most disconcerting, many must fend for themselves even before they reach the age of double digits. The faces of these school age children are in reality the faces of struggle.

Yet, their futures are expectant and bright. Scores of students travel as far as ten miles a day to receive a wonderful education at Mano Amiga. Compared to our United States version of Crystal House in Indy, Mano Amiga, translated to Helping Hand, gives opportunities to children who come from the bleakest of situations to reverse the generations of poverty that has stricken their families. With an education this is geared toward high academic achievement, emphasis is also placed on financial discipline, hygienic care, and nutrition courses for all family members to undertake in order for their child to attend school. Despite the educational opportunities offered

to the children, no athletic prospects can be provided because of the lack of funds the school faces. This is where my mission to help is fulfilled. During this upcoming spring break of my senior year I will be traveling back to Mano Amiga, only this time I will be packing boxes of running shoes. Once distributed, I will host a three day running camp for the children with the goal of instilling the values running and living a healthy lifestyle. It is my con-

Travis, Nicole, Toshia & Kim after the Muncie Endurathon

The State Fair has started, which means I have been on my “new” job for one year. This means I have a lot less miles under my feet and unfortunately less board meetings under my seat. The time is quickly approaching when we will be looking for new Club Kokomo Board members – please, please think about giving your time to serve the Club. I know that family and work come before giving time to organizations but if you have time to give please consider being a part of a great organization.

The picture I submitted with this newsletter was taken after Kim, Toshia, Nicole and Travis finished the Muncie Endura-

thon. It was awesome and amazing. I watched those four and other Club members put out a tremendous effort on a hot day for three demanding sports. I must be honest by Saturday morning peer pressure was getting to me. Watching all different types of people going in and out of the transition area, I began thinking I could do this a 1.2 mile swim, a 56 mile bike ride and a half marathon. I should think about training for this. If I were like Trav, I would just train when the sun and

moon were aligned never try smaller events, just go for the gusto. I am not Trav, I knew I would have to train so train I would. Then we walked down to the beach. I almost puked and I was just a spectator. When I looked out across what could almost be an ocean of water, and not even see the swimmers and they were wearing bright swim caps, I vowed then to never attempt any distance of a triathlon, and I mean never. I loved being a spectator that morning. I watched Trav go into the water. I watched the girls go into the water. I saw Matt York come out of the water, watched Trav come out of the water. Watched Trav take off on the bike, the girls take off of

the bike and then I went and read a book for awhile. It was wonderful. I checked my watch and made my way to the road to see the bikers arrive. I watched Trav come in and go out, eating all the way. I watched Nicole come in and go out and I saw the girls begin their run. I slowly and I mean slowly began to walk to the three mile mark so I could run Travis back to finish. That is when I met up with the Fraziers, they were there to cheer on Chris and together we began to watch for our team. I parked myself on a very long hill, definitely the longest uphill climb the course has and it was a hilly course. It was there I cheered for everyone to get up the hill. I watched our Club members run across the finish line and the rest is history as they say, our Club was well represented and I am just so impressed with everyone that participated.

Are you willing to be a spectator? We all need cheer leaders and we should all be cheer leaders once in a while. To think about only ourselves and only our own races and never being there for our family and friends in their races is very selfish. So be a bigger person, and set out sometime to cheer on others. There is a reason we were all called to go and serve. There is much more gratification in serving than always receiving.

It is dangerously hot so be careful out there –

Gina

Coyote Kids 2010

The 2010 Coyote Kids' season was the fastest ever, of all 7 seasons. Part of the reason for that were all the cancellations we ended up with because of the rainy Thursday nights. Do you realize it even rained on the awards day? Thank goodness we had a plan to be INDOORS! It was wonderful to rent Morningstar Church's gym!

We are so pleased with the turnout of almost 900 kids this year! Attendance was a little down this year, but with 3 weeks cancelled that also stopped us from getting more new runners signed up. We were thrilled to award 183 participation awards and 305 perfect attendance awards! THAT is a GREAT percentage of award winners. If you haven't picked up your medal(s) or know of someone that needs their awards, please call Robin at 854-1393 and we will be sure the medals are passed out.

We want to thank our sponsors that have made it possible to have a **FREE** program that is a quality program for our community. Be sure to visit our sponsors. Use their services and thank them for helping Coyote Kids. This year's sponsors are: Herbst Apothecary, Grace Fellowship Church, Goodfellows of Kokomo, Mark Dabrowski, Howard Regional Health Systems, North Central Pediatrics, Kiwanis Club of Metro Kokomo, Dechert Law, Wyman Group, Don Rogers DDS, Club Fitness 24, Norris Insurance, First Congregational United Church of Christ, Weber Speakers, Premier Printing, Red Dot Trophies, and Coca Cola.

Ray and I also want to thank all of the many volunteers that helped the races run so smoothly. It is impossible to name all of you, but thank you from the bottom of our hearts! Without you, we couldn't run the program. Many of you helped with parking cars, registration, finish line,

on the course, setting up and tearing down, leading the races, and the 25/50 yard course. Working together WE have developed a fantastic program WE can all be proud of as Club Kokomo members.

See you all next year for our 8th year of Coyote Kids!

"Captain and Mrs Coyote" (Ray and Robin)

**Coyote Kids
2010**

(Continued from page 1) Love Has No Borders

viction that every child, regardless of economic background, should be offered the chance to find their love of sport. As runners we are blessed with the experience of sharing a unique bond with one another in a wonderful community were we are more fortunate to suffer less severe hardships of life. From the gratitude I have for being given this blessing, I deem it's only correct that I give back to

others, who are less fortunate than I, so that they too can enjoy all the offers of a healthy life.

I will be traveling to Mexico on my own dime; all donations will be given directly to the children. My goal is to provide the top twenty academic achieving students in the school with a pair of Nike running shoes. Each pair of shoes will cost \$60, but this is where I request your help. Raising money

to cover the costs of shoes has proven to be difficult. If you share the same belief as I that running is an experience that never takes more than you give, and ought to be shared with all, I encourage you to consider my cause. Every contribution makes a significant difference in the joint sponsorship of these children. If you have any questions, or remarks please don't hesitate to contact me! I can be reached at 765-461-3060 or via email at neerw@culver.org.

1st Annual *Runnin' the Shores* 5K Run and Walk

The St. Joseph Hospital Foundation will be presenting a new event on Saturday, Oct. 9, 2010 – *Runnin' the Shores* 5K run and walk. The event will be held at Champagne Shores (440 W. off Old Sycamore Road) where participants will meander around the scenic ponds on a wide, easy trail. Shelly Wyman, Foundation board member and event chairperson, states, "This will be an especially enjoyable run/walk because at that time of year the trail is beautiful with the changing of the leaves."

Details are still being worked out, but all CKRR members will receive a brochure inviting them to participate as the event approaches. Proceeds from the event will go toward the purchase of new equipment (treadmill, bike, weights, etc.) for heart patients undergoing rehab in the hospital Cardiology department.

For questions, please contact Todd Moser at 765-456-5406 or tmoser@stjoseph.stvincent.org.

Haynes 2010

The 33rd Haynes is in the books. Rebecca Monroe took over the race director duties this year for the first time as Gina has been in out of the country. Please thank her for time and effort she put in to put on a successful event for your clubs biggest race. Now she didn't do this alone by any means it takes a lot of people working together to have a great race. There were over 40 volunteers that helped out. That does not count the people from EMA and Indiana American Water that help on the course on race day. There a many ways you can help out with a race from registration, gathering refresh-

ments, race day setup, shirts, packet pick up, course monitors, water stops and finish line. Please consider helping out for our next races and next year for the Haynes. We are also looking for a race director for the Haynes next year as Rebecca is already committed to Girls Night Out and that would put two big races on her calendar. We are looking for someone that could possibly do it for a couple years in a row so there is continuity. If you're interested please contact Gina or Rebecca.

The race numbers were up this year with 371 finishers including the fun runners. That's up from 338

finishers in 2009. The men's overall winner was Corey Scott with a time of 21:15 and last year's winner coming in second with a time of 21:44. Heather Weber took the women's overall in 24:11 with Bethany & Brittany Neeley coming in second at 26:49. Vincent Lorenz and Mary Miller were first in the walk division with times of 26:49 and 30:38. Mary and Vince's time set the CKRR record for their individual age groups.

Thank you to everyone that participated and/or volunteered to make this a great event.
