"GIRLS NIGHT OUT"!!

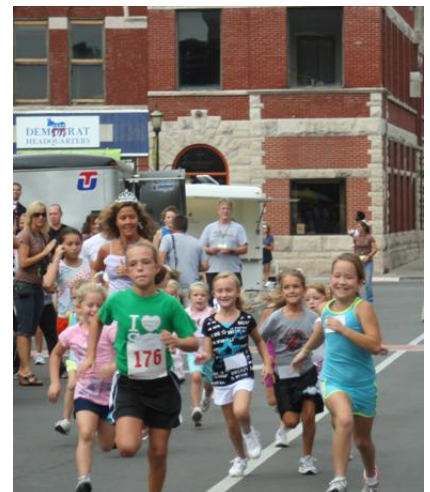

By Rebekah Monroe

Registration...check, bib number... check, running shoes... check, and high heels...of course... and a little lip gloss...yep, the race day checklist for the third annual Girls Night Out. Walking down Main Street seeing vendors line the streets was just the start of the day's events. Local merchants offered up all sorts of great frilly and functional merchandise and services tailored for our lady racers. The expo was an expanded feature stemming from last year's mini expo. The energy of the event was thick and began growing as we drew closer to race time. But before the ladies took the course over 60 little pattering feet proceeded to the starting line in anticipation of this year's newly added Princess Fun Run which was lead by our head princess, Michelle Clendenning. What a sight to see a mob of rosy cheeked giggling girls- well most of them were- charge the courthouse square. Each one received a pink princess good bag as those tiny dancers spun across the finish line. Then a handful of high heel strapped, we mean business; females strutted their way to the center of Main Street for the traditional High Heel Hustle. Let me tell you those ladies are fast! Then after a quick

birthday serenade to my son, Ethan, the 5K was under way with over 330 women pounding the pavement of the newly revamped scenic course. The course incorporated a different looping style to accommodate and provide a better race experience for all the participants. The numerous giveaways and awards were presented at the Foster Park Arts Pavilion where "The Tides" took stage closing this year's Girls Night Out to the free flowing easy going sounds of a Caribbean...giving away to a Jimmy Buffet kind of evening. A spectacular evening that could not have taken place without the help, time and support of the numerous volunteers and the majority of them were the gracious gentlemen of Club Kokomo Roadrunners. My heartfelt and complete admiration truly goes out to Charlie Skoog, Robin Tetrault, Shelly Wyman, Darcie York, Vicki Boles and Joni McCracken. These individuals go above and beyond what is needed and have such a wonderful spirit as we prepared for this event. They stepped in a pulled together when I sometimes dwindled....We are in the works of brainstorming for next year...never know what we will think of next!

From the President

By Gina Sheets

We have 27 proposed races on the 2011 calendar (for discussion at the next club meeting)

October, it is here. Can you believe it? Many are gearing up for their first fall marathon, just a warning to be prepared for any type of weather, very cold or extreme hot can happen in October. Fall is my favorite season, the colors, the sense of a rest soon to happen, and open fields that allow for new views while running on the roads. It also, sadly enough, means loss of many all natural port o' stops. I have to find new places on my routes from now until next July.

As expected there is a lot happening in your club. Take a look at the minutes from the September meeting and the agenda for October; your club is busy. First your Club officers for 2011/2012 must be nominated for the ballot to be sent out in November and the members inducted at the December meeting. As you see in the minutes we are looking for a vice president. I am working on some folks and I hope we have the ballot filled for approval at our October meeting. Second your Club's race calendar for 2011 has been printed in this newsletter and we have added new races. This brings up a new issue to discuss, how many races must a member complete to be considered for an age group award? 50% of the races, 60%, our by-laws say the number 10! We have 27 races on the calendar see page 3 (for discussion at the meeting) so is completing

10 enough to be considered for a year end award? We will discuss that after we vote on the calendar. Third we have an Equipment Sign Out Policy. When we waive the donation for use of the equipment we may not be protecting ourselves against damaged or destroyed equipment that is returned to us after use. The policy must be reviewed and rewritten. The current policy is included in this newsletter (pg 3). Whew, that is a lot of work, and you should be pleased that over 15 people attend the board meetings, and they make it a point to work for you in your best interest. If you have an opinion I always welcome hearing it – sheets.gina@yahoo.com.

I know many of you get frustrated when you have to slow down because there is a tractor in front of you. Many of you (like Trav and I) have ran through so much dust that you are hoping your nose will just fall off your face. Semis parked on county roads make for narrow passing. All of this to remind you in your moments of tiny inconvenience that agriculture is a \$25billion industry to the State of Indiana, employing over 16% of the State's workforce; agriculture has been one of the few sectors that has grown during this down turn economy. Hey, I am always working for you in so many ways!

See you at the board meeting – be careful out there
Gina

Inspirational subject of the month

Worry

Matthew 6:19-34

I tell you, do not worry about your life, what you will eat or drink; or about your body, what you will wear. Is not life more important than food, and the body more important than clothes? Look at the birds of the air; they do not sow or reap or store away in barns, and yet your heavenly Father feeds them. Are you not much more valuable than they? Who of you by worrying can add a single hour to his life? "And why do you worry about clothes? See how the lilies of the field grow. They do not labor or spin. Yet I tell you that not even Solomon in all his splendor was dressed like one of these. If that is how God clothes the grass of the field, which is here today and tomorrow is thrown into the fire, will he not much more clothe you, O you of little faith? So do not worry, saying, "What shall we eat?" or "What shall we drink?" or "What shall we wear?" For the pagans run after all these things, and your heavenly Father knows that you need them. But seek first his kingdom and his righteousness, and all these things will be given to you as well. Therefore do not worry about tomorrow, for tomorrow will worry about itself. Each day has enough trouble of its own.

CLUB KOKOMO ROADRUNNERS EQUIPMENT USE POLICY

The Buzz Around the Hive –

The racing Gods were smiling upon the recent BeeBumble in Burnettsville. A beautiful crisp sunny fall day welcomed 438 runners and walkers to the 11th BeeBumble 5 and 10K run/walk. There were participants from 5 states to participate in the BeeBumble.

A change in the registration to the inside of the BeeHive allowed runners and walkers to check in much more efficiently. While inside one or more of the 85 friendly worker bee volunteers greeted participants.

Again, the goodie bags provided to all participants were outstanding. Each bag was filled with over 40 yummy treats. The goodie bags alone are well worth the registration fee for the race.

The races were kicked off with an inspirational talk from Dr. Greg Bell. Dr. Bell

won the Olympic Gold Medal in the long jump in 1956. Later, Dr. Bell visited with participants and assisted with the awards program.

The Lil' Stingers Run was the first race and provided everyone with a reminder of what was like to be a little kid again. The smiles and spirit of the kids was very heartwarming.

The 5 and 10K races started into a glorious looking sun before turning and heading south on the flat and fast course. Scott Colford won the 10K with a time of 35:08. The 5K was won by Kory Kennedy with a time of 17:09.

The 5K walk had a strong field of some tough racewalkers. Vince Lorenz won the walk with a time of 27:31. Mary Miller won the women's walk with a new women's course record time of 31:51

After the races all participants enjoyed the "famous" BeeBumble breakfast buffet. Plus the Soles for Souls shoe received over 150 pairs of donated running shoes.

We congratulate Jeff Saylor and Don Hurd on another successful BeeBumble. It really is, One Honey Of A Race.

Parker Jones 2nd Overall 10K

Kory Kennedy 1st Overall 5K
