## Celebrate 100 years of Goodfellows

Last year, 42 Club Kokomo members once again became Goodfellows and helped record 2,317 needy children receive clothes during the Christmas season. Once again, Johnny 'O' asks Club Kokomo members to become Goodfellows and to assist the all-volunteer group in celebrating its 100<sup>th</sup> year of bringing smiles to children's faces during the holiday season.

Goodfellows is the oldest Christmas gift program in Howard County. It was started by Kokomo Tribune employees in 1911. The program now is a not-for-profit organization that is directed by a community-based volunteer board of directors. There are no paid staff positions.

Jean Lushin, Center Township Trustee, has been the Goodfellows' unpaid volunteer director for 30 years. Johnny 'O' has been associated with Goodfellows for 40 years. He is president of its board of directors.

Johnny 'O' is proud that fellow CK member Dave White joined him on the board in 2005, and that CK's Charlie Skoog received Goodfellows' 2008 Volunteer of the

Year Award.

Charlie and Dave have led the charge the last five years in recruiting CK members for Goodfellows. CK Goodfellows help register families in November and use hand-held scanners to total dollar amounts before applicants go through the cash register lines at Meijer's in December.

Last year, Goodfellows provided clothing to 1,004 families in Howard County at a cost of \$136,472. The number of people helped and the dollars expended broke records established in 2008. Unfortunately, we expect the records to be broken again this year, because of the economy.

Goodfellows is the only organization that can say that all the money it receives from We Care is used at Christmas to purchase clothing for needy children in Howard County. Goodfellows also receives individual and corporate donations. Money not spent on the Christmas program is used for scholarships and other youth programs. As it has for several years, Goodfellows donated \$3,500 to Club Kokomo's Coyote Kids this year.

Regular registration will be Nov. 29 - Dec. 3 (Monday through Friday) from 9 a.m. to 3 p.m. at 1401 N. Washington St. (former Marsh store). To receive assistance, families must meet Goodfellows eligibility requirements, which include gross income of the entire household not to exceed 150

percent of the Federal Poverty guideline. Applicants are interviewed by volunteers when they sign-up for assistance and their applications are investigated to insure that only the truly needy receive help.

If you can help with registration, even for an hour, contact Connie at the Center Township Trustee office (452-8259). Local restaurants are donating lunch for volunteers.

Approved families receive vouchers for clothing. Parents will redeem the vouchers at Meijers from 6 p.m. to 9 p.m. Dec. 12-16. Recipients are assigned a specific day to shop with the number of shoppers each session based on the total number approved for assistance. Last year, about 200 families shopped each night.

Club Kokomo, Kokomo Firefighters, the Kokomo Tribune, and the Marine Corps League helped during registration and shopping last year. Johnny 'O' asks Club Kokomo to help recipients shop Dec. 12 (Sunday) and Dec. 14 (Tuesday). The dates are designated as Club Kokomo volunteer dates; however, you can help on any date.

It is easy to become a Goodfellow: just contact Johnny 'O' at home (765) 438-9545; work, 765-454-7926; or email at [john\\_wiles\\_150@comcast.net](mailto:john_wiles_150@comcast.net). You also can email Charlie at [runcrr@aol.com](mailto:runcrr@aol.com) or call Dave at 765-437-8576.

## From the President

One more month is left to serve you in my two year term. Wow, two years have gone by quick, faster than I wanted. This month you will see in the newsletter your slate of officers for the 2011/2012 years of service. Rebekah Monroe for President, Charlie Skoog for VP, Mark Shorter for Treasurer, Scott Riggle for Secretary, and Steve Wand for Chaplin. Your ballot will be sent to you with your dues renewal notice in the mail. Please send it in as soon as possible as we induct officers in December. I have always been honest, some people say blunt, in this column so why stop with this issue? I have already had a concern that some people will be upset when they see the same people holding the same offices they have already held. You know what I have to say to that – then you should have run for an office! If you want change be

the change driver and make it happen, no whining to me when these people are the only ones who stepped up to serve. End of conversation.

By the time you receive this I will be in China, unfortunately I will not have time to visit the Great Wall again but I do look forward to my one free day when I can run my 7 mile route around West Lake. Of course I will have to run it 3 times and then some to keep up with my training schedule but I have all day. That also means I will miss another board meeting, which I hate, but I trust with the agenda in the newsletter everything that needs to be address will. At our last board meeting we talked about the policy we have for Donations for the Use of Equipment. We did make a change in wording and the new policy is posted in this newsletter. We

also approved the 2011 calendar and we added more races and kept the awards requirement of races completed the same. You just have more opportunities to reach your award goal.

I worked the mile four aid station for the half marathon that was held in Flora. What a great group of folks who stepped up to help their community. I was glad to be a part of such an event even though it did not go off nearly as planned it goes to show you what determination and hard work can make a train wreck stay on track. Hats off to the Flora community and I look forward to next year. I hope you are willing to serve and make a difference, that is what we are all about, making a positive difference.

Be careful out there –

Gina

The use of the equipment must be approved by Club Kokomo at a business meeting. ## On the Trails ---- CKRR Charity Run

Fall is a favorite time of the year for most runners and walkers in the Midwest and as I edge toward my twilight years I seem to appreciate it even more. For those who have trained through our hot and humid Indiana summer it is now time to reap the harvest and many of you already have. Congratulations to all club marathoners and middle and high school cross country runners. Your efforts motivate and inspire many including this writer who probably would not be running his own fall marathon without that continuing inspiration.

October began with a very wet Cole Porter 5 & 15K. Fortunately the rain subsided for the dedication of the North 20 miles of the Nickel Plate Trail and bike ride which took place that same afternoon in Denver. Construction progress continues as contracts were let this week to finally finish the Wabash River bridge so we can begin or end our run or ride on the south 13 miles in Peru itself. Next year should also see the north terminus extended 1.3 miles from Lake Manitou to 17th St. in Rochester and on the south end we plan to finalize and acquire right of way, bringing the Nickel Plate Trail into Kokomo city limits.

On October 9, many CK members volunteered, ran or walked the inaugural Runnin the Shores 5K. Shelly Wyman and Todd

Moser did a great job managing and directing this race which benefited the St. Joseph Hospital Foundation. Stan Shuey measured and laid out a wonderful course and Ray and Robin ably managed the timing and finish line. Next year this race will replace the Mounds race on our points schedule so instead of running or walking along the White River for points you can stay close to home and enjoy a beautiful stretch of Wildcat Creek. This years Mounds race is a points race and I am looking forward to the challenge of racing the hills, the day after several of us run the Monumental Marathon in Downtown Indy. Should be a very interesting Monumental Mounds weekend!

The State High School Cross Country Finals will be held in Terra Haute on October 30. As I type this article the New Prairie Semi State is days away so I am rooting for several of our own to make the trip south. Recently Landrum Neer won the City/County Middle School Championship. Can big sister Wavy duplicate that accomplishment at the State level? Once again congratulations to all our student runners who start out following in our footsteps and through hard work and perseverance become mentors to many, both young and old!

**Saturday, November 13,  
9:00 am, 26th Annual  
CKRR Charity Run/Walk 5K**

## UAW Local 292 Fellowship Hall, Corner Park & Alto Road

Last year we moved the Charity Run from the first Sunday afternoon in December to the second Saturday morning in November and the traditional Sloppy Joe lunch was replaced by a late morning brunch. That move proved to be a success as 125 runners and walkers raised \$2,370 for Gilead House and the Magic and Care Closets. We also had a fantastic brunch with sausage gravy and biscuits and some great casseroles and desserts highlighting the menu. Hopefully we can duplicate that success.

For those of you new to the club there is no race fee for the Charity Run and all club participants and volunteers receive 20 points. Everyone is asked to make a free will donation which once again will be distributed to the Closet's and Gilead House. We encourage you to invite friends and family members to participate in the Charity Run as you ask for their support. If you or a family member does not want to run or walk we can always use volunteers inside and out. Whether you are a cook, runner, walker, volunteer or all of the above please plan on spending the morning of Saturday, November 13 with your Club Kokomo family! For more information call 457-2607 or [runckrr@aol.com](mailto:runckrr@aol.com).

## Humility

From Steve Wand

### Philippians 2:3-11

Do nothing out of selfish ambition or vain conceit, but in humility consider others better than yourselves. Each of you should look not only to your own interests, but also to the interests of others. Your attitude should be the same as that of Christ Jesus: Who, being in very nature God, did not consider equality with God something to be grasped, but made himself nothing, taking the very nature of a servant, being made in human likeness. And being found in appearance as a man, he humbled himself and became obedient to death — even death on a cross! Therefore God exalted him to the highest place and gave him the name that is above every name, that at the name of Jesus every knee should bow, in heaven and on earth and under the earth, and every tongue confess that Jesus Christ is Lord, to the glory of God the Father.

### Nickel Plate Trail 8K

The CKRR Nickel Plate 8K was held Sunday afternoon on October 24.

It was a good day to come out and see the trail as the leaves are turning and made for a beautiful background.

Parker Jones jumped out to a quick lead and built on that as he finished with a time of 28:29 more than three minutes ahead of second place Brent Noll. Vince Lorenz and

Mary Miller lead the Walkers with record times of 26:45 and 31:00 flat. In fact it was a day of records as Justin Taflinger set the 0-12, Parker Jones set the 20-24 and Joe Rangel set the 60-64 record. See the race results for all finishers on page seven of this newsletter.

My Favorite part of the day though is the cook out afterwards. Patti and Brian always open up their house, which is

right on the trail, and cook up some hotdogs and burgers and then everyone brings a side dish or desert. You should definitely plan on hitting this race next year. Sit around the fire and get to know your fellow club members. Come out and enjoy the day.

Thank you to Patti, Brian and Quinn for having everyone over, even during your remodeling.
