CLUB KOKOMO ROADRUNNERS

The Roadrunner

The First Annual 24/12 Hour Relay

By Ray Tetrault

One of my favorite running experiences is running a 24 Hour Relay. It's a combination of camping out, goofing off, hanging with friends, and some running. The relays I have run on have raised money for numerous projects such as a high school track for a school with few resources, but a good track team; missions work in Uganda, and Nathaniel Mission. This year I decided it was time to hold a relay. I wanted to raise resources for Grace House and also be able to raise money for high school coaches to use for whatever would help their kids develop as runners.

The date chosen was the only weekend there wasn't

a race going on. There are several problems with an event such as this in late July: the heat and some runners aren't ready to run it and would only suffer injury. This came to the forefront this summer as the heat index was stifling week after week right up to the day of the 24 Hour Relay. A decision was made to change the relay from 24 hours to 12 hours. We also decided it would be wise to not run during the day as the night would provide cooler running temperatures. So on July 23rd at 7:00 p.m. the relay was set to begin.

The relay consists of 10 runners maximum per team, one runner at a time

each doing one mile. The relay team must run in order with the last runner on the relay handing off to the first runner. If a runner drops out he is not eligible to run again.

Coach Jon Polk brought a team from West Lafayette. Two of his runners decided not to run it at the last minute leaving him with just 8 relay runners. He had some rookie runners who are trying running for the first time this fall. His team was affectionately called Polk's Folks.

A hodgepodge of 12 Kokomo area runners came together to form team number two- Ray's Raiders. The decision was made to

4th Annual NPT 8

By Brian Reinhardt

Please join Patti and I for the 4th Annual Nickel Plate 8k on Sunday, October 30, 2011 at 2:00 PM. You'll notice that the date doesn't match the newsletter schedule that has been in the newsletter all year,

but when the race director (me) gets rescheduled to work the day of the race it throws a wrench in the gears. Thus, a reschedule to the 30th was necessary.

From the President

“Middle age is when you're sitting at home on a Saturday night and the telephone rings and you hope it isn't for you”... Ogden Nash. I chuckled to

myself when I read this quote thinking on my weekends and how I yearn just to be home relaxing quietly uninterrupted... then a sudden streak of fear surged through my body as I thought overwhelmed me, “oh my goodness, I have become my MOTHER!!!”...man, how does this age thing creep up on us so fast...lol. Then I realized I am a RUNNER. I may be snuggled up on the couch on a Saturday night but my feet will be

stroking the pavement hard at 5am the next morning around the same time the young party animals will be crawling into bed. So my runner brain rested in a cloud of comfort that I may not live as hard or as spontaneous a lifestyle as I use to but that I will enjoy a longer life living... running.

Just a few FYI's: The **YMCA Jack-O-Lantern Jog** is looking for participants and volunteers for the race held on October 29th at 9AM. The route will be the same as this year's Girls Night Out course. So guys this will be a great opportunity to see how you would have measured up against the girls this year! The cost of the race is pretty cheap and Y-members get a discounted rate. If interested please email me at rebekah.a.monroe@gmail.com with “jack jog” in the subject line.

Also, the **Knobstone Trail Race** is coming up on October 22nd. This is an all trail half marathon, 10 mile or 5K event. This is a great opportunity to see the beauty of Southern Indiana in the fall while running the rugged trails in Morgan-Monroe County as a change challenging change of terrain from the redundant streets of the city. A small group will be heading down and would like to invite anyone interested to join us. It would be great if we could get a large group of CKRR members, or anyone interested, to caravan down that Saturday morning. Please contact me if interested at rebekah.a.monroe@gmail.com

Don't forget to check out the race calendar for upcoming events!

Health and blessings...Rebekah Monroe

try and balance out the teams to keep it as competitive as possible. The decision was made to send Joni McCracken and Scott Colford to Polk's Folks. This proved to make the teams evenly matched; proven as Polk's Folks won the relay by slightly over 100 yards. As one junior high Polk's Folks kid said, “We were faster by 9 yards per hour.” Three West Lafayette runners set personal bests for the mile on their LAST mile of the relay which secured the victory for them.

Ray's Raiders had some seriously impressive performances. With some of the team members not able to continue they finished with just seven runners. This meant some ran 13 miles over the course of the 12 hours. Kory Kennedy and Parker Jones were the two studs who more than held their own, both averaging low 5 minute miles. Dana Neer was the most consistent runner with is slowest mile being a 6:03 and fastest mile at 5:58.

I received this email from one of the par-

ents: “Would you please pass along a huge thank you to everyone who made last night possible. All I can say is WOW! I just wanted to thank Ray for letting us participate in last night's insanity. Alex and Abby really enjoyed the opportunity to run against and with such amazing runners. Everyone was so supportive and encouraging of the kids- it was a perfect environment to try and event like this. Abby had such a wonderful time that she was even asking me at 5:00 a.m. if we could do this again next year! Alex loved it too and though he was bitterly disappointed that he couldn't finish, he's walking today without pain and feeling much better so I think we made the right choice. I let Dana know that all Williams and Hummels kiddos plan to attend Culver's cross country camp next year and bring some teammates as well. Who needs soccer when you have cross country? Thanks for everything.”

Another person told me that it will be impossible to do anything this season to top this event. “This event will definitely be the highlight of this entire season.”

The relay raised \$260 for Grace House, \$225 for West Lafayette Junior High Cross Country, and \$605 for Western Girls Cross Country. For a first year event I am not sure it could have been any better unless we had more teams. Get your calendar out and get ready to run next years 12 Hour Relay. The tentative date is June 23, 2012. Get your team together and decide what cross country team you want to sponsor and get ready for one of the best events you will ever do.

Continued from page 1— 4th Annual NPT 8

There are some other changes to the event this year as well due to the completion of the Wabash River Bridge. The races will now start (both the 8k run and 3 mile walk) just north of the bridge and east of the parking lot for Beef O'Brady's. This will allow everyone to enjoy the beauty of running across the bridge as well as allow us to turn the race around before reaching 400S. It also allows for ample parking at the race start/finish - something we haven't had in the past.

Another change will be that we will not have a cookout as we have in the past. It hasn't been well attended since most people choose to get home on a Sunday afternoon and the club endured the cost of the meat that was eaten (or not eaten), which

ate into the profit for the scholarship fund. We've decided it'd be best for the club to forego the cookout since the intention of the race was two-fold - to familiarize people with the Nickel Plate Trail and to make some money for the scholarship fund.

Speaking of familiarizing people with the Nickel Plate Trail, that has been a very successful endeavor so the club has decided that this 4th year will be the last for the NPT 8. There are numerous other events that involve the whole community now and having an extra event saturates the event market. It's best for the other events that we no longer hold the NPT 8 after this year. Keep an eye on the race calendar for those other events and be

sure to support them if you can.

Even if this is the final year for the race we'll still need some volunteers to pull it off. Remember that you do receive 20 volunteer points towards club awards for volunteering if you haven't already done so. Contact me at brinan.reinhardt@comcast.net if you'd like to volunteer so I know how many volunteers are willing to work. Normally we need about 10 to put on a good race so Patti and I appreciate any help we can get.

Thank you to everyone who has run the race or volunteered in the past. It's been a lot of fun, but it's time for the club to grow into bigger and better events. God bless.

Inspirational Thought of the Month

The Christian life is not a sprint, it is a marathon. It is easy to get distracted, but we need to remain disciplined. Like the author of Hebrews says, so that we do not grow weary in the race, let us keep our eyes fixed on Jesus.

“Let us fix our eyes on Jesus, the author and perfecter of our faith, who for the joy set before him endured the cross, scorning its shame, and sat down at the right hand of the throne of God. Consider him who endured such opposition from sinful men, so that you will not grow weary and lose heart”

(Hebrews 12:2-3).
