27th Annual Charity Run/Walk

By Charlie Skoog

This Saturday!!!
November 12, 9:00 AM
27th Annual Charity Run/Walk

The first Charity Run was held on Sunday, December 15, 1985, at the home of Bill and Sue Heck on Old Sycamore. Seventeen runners collected \$90 to help a needy family for Christmas. This years event returns to the UAW Local 292 Fellowship Hall on the corner of Park & Alto Road. The location, distance, time and date have shifted many times over the years but the purpose remains the same. Club Kokomo and the Charity Run promote fitness, fellowship, and giving back to a needy community, be it mind, body or spirit.

There is no entry fee, just a free will donation which will benefit the Magic and Care Closets and Gilead House. The post race brunch will once again feature sausage gravy and Annie O's home made biscuits. We encourage you to invite family, friends, and coworkers to participate. We need runners and walkers but we also need cooks to bring a dish to share for the brunch and volunteers, both inside and out. Whether you are a runner, walker, cook, volunteer or all of the above please join us for this year's Charity Run. For more information call 457-2607 or runckrr@aol.com.

Celebrate 101 years of Goodfellows

Once again, Johnny 'O asks Club Kokomo members to become Goodfellows and to assist the all-volunteer group in celebrating its 10th year of bringing smiles to children's faces during the holiday season.

Last year, Goodfellows, including

more than 40 CK volunteers, provided clothing to 2,052 children in Howard County at a cost of nearly \$120,000. Goodfellows is the only organization that can say that all the money it receives from We Care is used at Christmas to purchase clothing for needy children in Howard County.

By Johnny 'O

Goodfellows also receives individual and corporate donations. Money from these sources not spent on the Christmas program is used for scholarships and other youth programs. As it has for several years, Goodfellows donated \$2,500 to Club Kokomo's Coyote Kids this

Colorado Springs Marathon

We were long overdue for a marathon trip after our injuries from the double marathons in a weekend in April 2010 with Brian and Patti. We had finally recovered and began running again in March. We really had not trained for a marathon, but we had done a half marathon in the spring and one other long run. Scott Colford and Amy Black said they would love to join us! Brian and Patti were not able to take a week off to go west. Our new son-in-law that many of you may know, Jarred Hall decided he would run it too. It would be his first marathon ever! (He also had not trained for it. He, however, is young and fit.) We chose Colorado Springs because that is where Jarred and Mindy live as he is stationed at Fort Carson Army base. Even Scott said he really hadn't trained for a marathon but Colorado sounded like a GREAT road trip in our newly acquired motorhome.

We loaded up our home on wheels and hit the road at 11:00 a.m. on a Friday. To make a "Tetrault road trip" complete, we had a flat tire before we got to Tipton! The good news is, it was one of the double rear tires. We were able to drive into Tipton and get it fixed. The gentleman at Tipton Co Tire & Auto Service took EXCELLENT care of us! He got us back on the road with four new tires so that wouldn't happen again. (The motorhome had been "resting" in Ray's mom's barn for about 5 years. We were a little concerned about tire rot.) At about 2:00pm Friday we headed west.

We had a wonderful trip until Scott drove and it began to rain even though the forecast had been for sunny skies for the trip. Oh, and the driver windshield wiper was in need of replacement. Scott had a couple of inches where he could see the road clearly. That's what makes road trips an adventure. We arrived safe and sound in Colorado Springs on Saturday to park in Mindy and Jarred's apartment parking lot until we found a campground nearby.

We spent a beautiful sunny Sunday driving up Pike's Peak...14,110 feet up! What a drive! It was spectacular! We did realize the altitude was beginning to bother us with shortness of breath, nausea, and poor Scott got a KILLER headache.

Our race was on Monday, Labor Day, and it started at 6:30 a.m. in Palmer Lake State Park...in the dark, with no lights. Mindy drove us to the park, but it was SO cold with a very strong wind. I stood in line in the dark, waiting to use a port-o-pot and wondered what was taking so long. Then I heard there was only 1 pot unlocked! There were a dozen pots set up! This was not going to be good...They assured us the man with the key would be there soon. The man with the key did arrive about 20 minutes before the race began and then it was a bit chaotic. Thankfully while I waited in line for the second time we got some good news from a local. He said the wind would die down quickly when the sun came up and it was going to be a beautiful day! When we came out of the port-o-pots the race had started! We ran to the start and just started a little late. The trail began at 7000 feet and went downhill! It was all run on soft, dirt trails that combined several trails in the area to get us our 26.2 miles into Colorado Springs for the finish. The marathon was called the "2011 American Discovery Trail Marathon". It was truly AWESOME, and we highly recommend it for a Colorado marathon if you need one! It was beautiful, with Pike's Peak in view almost all of the race. The altitude did affect all of us, except Jarred, because he's been living

there for a while. You could tell it was more difficult to get a deep breath. Ray and I just ran a leisurely pace so we could enjoy the view, get the state in by running it in 6 hours, and not die trying. It turned out to be a warm day, but the air was dry and that made the heat bearable.

Scott had a GREAT race, finishing 3rd overall in 2:50:17, and also the 1st Master runner! He also set a course record for a master! He won \$100.00. It was a GREAT day! Jarred did a great job, even though he said he started out too fast. He finished in 3:52:56! We were so proud of him! Ray and I finished in 6:00 (actually a little less than that, but it wasn't chip timing and we got that late start -lol). We were all very glad to have completed the marathon!

We spent the rest of the week sightseeing in Colorado Springs, which was fantastic! There was too much to see in just one week! Another highlight was a trip to the "Incline". That is a mile path straight up Pike's Peak! (see pic) Scott took the challenge and completed the climb in 27 minutes! Ray walked about half way up and took pictures for me, and Amy and I just got a "feel for the incline" and met the guys at the car.

We highly recommend the marathon, but take a week to enjoy the sights in the area!

2. Prayer by Charlie Skoog
3. Brief financial report by Treasurer Mark Shorter
4. Nickel Plate Trail run 8K has been changed to the last Sunday of October 2011 due to race director Brian Reinhardt's work schedule.
5. Discussion of 2012 Club Kokomo race calen-

dar. The Sam Costa race and the CK Nickel Plate Trail Run have been dropped from the calendar. The Steps to Recovery 3m race in September and the HESP run in September or October were added. It was decided to leave the Kokomo Symphony Run on the schedule. Members are reminded that they can get 20 points for one half-marathon during the year as long as they inform the editor. With all the races scheduled in October, it was unnecessary to continue to have the Nickel Plate Trail Run.

6. New Business-Rebekah distributed a pro-

Charity Run director Charlie Skoog suggested we continue to distribute the Charity Run money to the Care Closet, the Magic Closet, and the Gilead House as we have done in the past.

Continued — Goodfellows

year.

Goodfellows is the oldest Christmas gift program in Howard County. It was started by Kokomo Tribune employees in 1911. The program now is a not-for-profit organization that is directed by a community-based volunteer board of directors. There are no paid staff positions.

Jean Lushin, Center Township Trustee, has been the Goodfellows' unpaid volunteer director for 31 years. Johnny 'O has been associated with Goodfellows for 41 years. He is president of its board of directors.

Johnny 'O is proud that fellow CK member Dave White joined him on the board in 2005, and that CK's Charlie Skoog received Goodfellows' 2008 Volunteer of the Year Award.

Charlie and Dave have led the charge the last six years in recruiting CK members for Goodfellows. CK Goodfellows help register families in November and use

hand-held scanners to total dollar amounts before applicants go through the cash register lines at Meijer's in December.

Registration will be Nov. 28 - Dec. 2 (Monday through Friday) from 9 a.m. to 3 p.m. at 1401 N. Washington St. (former Marsh store). To receive assistance, families must meet Goodfellows eligibility requirements, which include gross income of the entire household not to exceed 150 percent of the Federal Poverty guideline. Applicants are interviewed by volunteers when they sign-up for assistance and their applications are investigated to insure that only the truly needy receive help.

If you can help with registration, even for an hour, contact Connie at the Center Township Trustee office (452-8259). Local restaurants are donating lunch for volunteers.

Approved families receive vouchers for clothing. Par-

ents will redeem the vouchers at Meijers from 6 p.m. to 9 p.m. Dec. 11-15. Recipients are assigned a specific day to shop with the number of shoppers each session based on the total number approved for assistance. Last year, about 200 families shopped each night.

Club Kokomo, Kokomo Firefighters, the Kokomo Tribune, and the Marine Corps League helped during registration and shopping last year. Johnny 'O asks Club Kokomo to help recipients shop Dec. 11 (Sunday) and Dec. 13 (Tuesday). The dates are designated as Club Kokomo volunteer dates; however, you can help on any date.

It is easy to become a Goodfellow: just contact Johnny 'o at home (765) 438-9545, or email at john_wiles_150@comcast.net You also can email Charlie at runckrr@aol.com or call Dave at 765-437-8576.
