COYOTE KIDS 2013

Coyote Kids continues into July and it not to late have your kids involved or for you to volunteer. We meet every Thursday night (except the 4th of July) through July. The dates are 6/6, 6/13, 6/20, 6/27, 7/11, 7/18, and 7/25 to make up a rain night if necessary. We can always use volunteers to run, guide, register, help at the finish line, parking, and encourage the runners, and pass out t-shirts.

New registrations start at 5:00 pm each Thursday night. The 25 and 50 yard runs start at 6:15pm and will continue until about 6:45 or until everyone has had a chance to run. The 220 yard run starts after warm ups at 6:30 pm. Each race follows when the previous race finishes. Parents can run with their children, but we will also have volunteers from our club to run alongside, guide, and encourage the fast and the slow! So come out and be a part of a life changing program!

If you can come at 4:30 PM to help set up that would be greatly appreciated. We always need help with the parking also. Spread the word and check out the website coyotekids.org and the Club Kokomo Roadrunners facebook page for announcements. **See you Thursday nights at Coyote Kids!**

Metaphysics

Running and walking is more than physical ability, it's a metaphysical skill. Metaphysical is the idealism relating to the transcendence of some reality beyond the physical sense. A highly abstract, subtle, or abstruse ideology that goes beyond the physical; incorporeal or supernatural. It's this metaphysical experience that enables one to not only be aware of the distinction and condition of the physical body and its limits, but more importantly the inner spirit of self reliance. Going beyond a physical realm to create higher vibrations of energy, a balance is formed of the mind, body and spirit enhancing the conditions to meet or exceed. Strength is drawn from the heart and mind rather than the physical alone. If you ask any avid runner or walker why they run or walk they may state a physical reason. Yet it's the unseen metaphysical force inside that is transcending the very nature of their character to endure. It is always present; working, changing and revealing it's self. Connecting us to the natural world, it mends and gives hope. Every thing begins with metaphysics, keep shining.

From the president's pen

Greetings fellow runners! What a wonderful time I have been having helping with Coyote Kids. If you have never been out to Jackson Morrow Park on a Thursday evening during the Coyote Kids running program, it would be hard to explain the energy. With over 500 children of all ages, and just as many parents and spectators filling the park, excitement is in the air. It is so exciting to see so many children excited about running. Even if you do not have children participating, we can always use volunteers to help with parking cars, handing out popsicles and many other tasks. If you can help, contact Ray or Robin Tetrault.

And, on another note, I'm just wondering how many people are training for their very first half marathon this year. The Highway Half has inspired quite a few of us, myself and my husband, included, to make a commitment to the 13.1 goal. Look for training sessions, from the YMCA in the upcoming months. Let's encourage each other. And, remember that a recent change to our constitution allows you to earn credit for 2 half marathons. If you are training for the Highway Half, look for another half marathon in the fall and take advantage of your training.

Hope to see some of you next Monday at our monthly meeting. Each month we discuss different subjects and it is always nice to hear from any members who can attend.

Chaplain's Chatter

The NBA season is over. Way to go Pacers! Major League Baseball is here. Go Cubbies!

The Haynes Apperson Festival is coming. Jayne and I will be watching and participating in activities, again. The Howard County Fair is approaching. The Brickyard 400 will soon return.

The warm July weather will offer many opportunities for outdoor family fun.. Take advantage of the chances to be with friends at our Club Kokomo running events, too!

We need to cultivate faith. How can we overcome doubts? God loves us and wants us to be filled with faith and confidence and courage – and HE has already given us the means to do this.

The key is to focus on Jesus – who he is, what he has done for us, and what he promises us for the future. The starting point is to make the Bible – which is God's message to us – part of our life every day. Faith doesn't grow in a vacuum; it needs nurturing – and God has provided this for us in His word, the Bible.

Ask God to lead you to a church where you can become friends with other believers, who can encourage and help you. You'll also hear God's word as it is preached and taught, and you'll learn how to make prayer part of your life every day.

Just as we grow weak physically if we never eat or drink, we'll grow weak spiritually if we never take in the spiritual "food" God has provided for us.

Always thank God for His gift of grace.

4. First CKRR Free Race was a success and a nice event with 121 registrations and hope to have as an annual event. Charlie Skoog states events take a lot of work and volunteers. He also states that as time goes he will be doing less and hopes that others will step up. A special thanks to Sunspot for the food.

5. Charlie Skoog has mapped out a 5K course at Foster Park for the Rhum race for Riley Childrens Hospital and could handle 150 racers. Gary & Jessica Rhum would also be interested in having this race part of the CKRR calendar.

6. Coyote Kids had 575 children for the first Thursday night. There have been 731 total registrations. A facebook page has been set up and will be used to share information and possible weather changes. Additional help is needed to help set up and assist. Set up begins at 4:30 p.m.
