

## Winter in Florida – Jeannie Townsend

It was a long long winter everyone agrees. Spring is here most days, just a few leftovers to be served then on with it! I can't complain as much as most, I was lucky enough to be in Florida twice this winter. I left the first day of January on a road trip with an old friend....destination Fernadina Beach Florida [northeast corner]. I was lucky again because I missed the really big snowfall. I enjoyed walking to the beach and back, about 3 miles round trip and it was pretty cool there too. Robin Cole and Richard Kerkhof invited me in February, so I flew down the last week. The weather was perfection low 80s everyday, but I was farther south, this time in Ft. Myers. I was there a couple years ago and did the Edison 5K with Robin and Anna Rangel. Anna won her age group which is a big deal since there are over 2500

participants. Well this year we did something different.....Robin, Kathy and I did back to back 5Ks. Nothing for them but I am not used to that, yikes my shins were sore. The first race we did was the Swamp Trot in LaBelle Florida...yep you guessed it, much smaller race than the Edison. Proceeds for this race went to local humane society. It was foggy driving over that morning and still a little foggy at the after. I wish I had taken my camera because it finished under a row of live oak trees with myrtle hanging down and a little foggy would have made a great picture. Kathy did well in her age group. Sunday Richard and Kathy's husband Larry drove us over to Gasparillo Island Boca Grande, Florida. It is a small island with private homes and rentable condo dwellings, beautiful beaches. No fog but it was very

humid! The race started behind the small school, really neat open air building named what else, The Island School. There was no shade for this race except a little at the beginning and the finish. The finish was really neat because we turned onto Banyun Rd and it was lined with huge Banyun trees. They are really beautiful trees that grow up of course but drop tentacles down that take root. There is not really a bark on the tree just a smooth skin. Alas you are probably wondering where Greg was, he is a school bus driver so he was home waiting for snow days! Well I'm off to Gulf Shores with the grandkids for spring break. Just sayin ....this retirement life is tough to keep up with. Thanks Robin and Richard and thanks to Esther for inviting me!

## Cancer....

Jeannie Townsend

...Just saying the word gets our attention. Anyone of us can probably say we know someone, friend or family who has had cancer. Rhenda Acton is currently going thru treatment for breast cancer. Rhenda has been a member of Club Kokomo for many years, as you may know her from running against her in a race or by competing in the Ultimate just to taste her delicious cookies. The Cass and Fulton County Extension Homemakers are hosting a 5K run/walk May 17th to raise funds for Purdue Cancer Research. Rhenda did this race last year and was planning to do it this year but will be unable due to ongoing treatment and recent surgery. Let's support Rhenda and the cause by participating in the race or making a monetary donation. The pre-registration deadline is April 28th. I have been on this course and it really is very pretty as it runs along the EEL River. I know this isn't a point's race but it is for much needed research and could be a fun day with some different scenery!

(registration and contribution)

### RUNNING TIPS

- Running (and walking) is simple, accessible, and affordable activity that just about any person can do
- Improved fitness and health status, accessibility, cost, stress reduction, access to networking opportunities and flexibility of participation make running easy to begin and even easier to continue.
- Running three to four times a week for 30 minutes or more will result in improved physical fitness. Running strengthens the heart and lungs and the major muscles of the body. Running reduces stress and can improve self-esteem.

## Chaplain's Chatter

The Ultimate Challenge 5 & 10 Milers. The NCAA Final Four, men and women's basketball tourney. Boys' and girls' Indiana All-Star basketball teams are announced. We celebrate Easter. Relays in high school rides. Getting to mow green grass. The Boston Marathon. We say good-bye to the Penncoffs and says prayers for Rhenda Acton.

If you're facing an important decision, how do you discover what God wants you to do? The first step is to realize that God cares about you and wants you to make right decisions, and because of this, He wants to show you His will.

How does God guide us? First, He guides us through His word, the Bible. In it, He gives us principles for living, and many of our questions about life would be answered if we only knew these principles and followed them. Make the Bible a part of your life every day; a good place to start might be the book of Proverbs, which gives us practical wisdom for daily living. The Psalmist rightly said, "Your word is a lamp for my feet, a light on my path" (Psalm 119:105).

God also guides us through wise and godly counselors. Have you shared your problem with someone who can see it more clearly? The Bible says, "Listen to advice and accept discipline, and at the end you will be counted among the wise" (Proverbs 19:20). Listen, read, seek wise counsel and you'll know what God wants you to do.

Always thanking God for His gift of grace,

Ricke

### Club Kokomo Roadrunners Meeting –March 10, 2014

1. Prayer by Chaplain Ricke Stucker
2. Brief Treasurer's report by Mark Shorter. Grand Total - \$27,524.88
3. Previous minutes were approved and passed.
4. Scholarship committee is currently reviewing two applications for this year.
5. Mark Shorter received info for the Mini Marathon tent set up. Military Park will be designated for alcohol so it is believed that our tent will be moved. For those who signed up, please be aware that they will not be mailing your registration packet but rather emailing. Robin Cole has once again volunteered to pick up packets for our members. Please see Robin's contact information on front page of this newsletter.
6. Members need to remember that they must submit their club membership prior to races so their participation will count for club points.
7. CKRR Ultimate – **VOLUNTEERS are needed as there are several opportunities during this 10K race.**
8. Prison Breakout forms are now available.
9. Almost Free Race – We need to change the location due to actives at last year's site. A request to use Foster Park will be made to the Park Board. Motion was made by Linda Kendall and seconded by Robin Tetrault. Motion passed.
10. An update was given for Bona Vista races. Currently getting donations in place as well as community backing.
11. Mike Anderson is currently planning the Haynes Apperson race. Additional details during upcoming meetings. A reminder was given about the needs of notifying the Traffic Commission to get permission for the events.
12. Sam Costa event is in two weeks and CKRR is sponsoring a water stop. Information is currently on their website.
13. Trisha Severns from YMCA discussed the Y's desire to work with Weber Fest & First Friday on May 2 offering an evening/night 5K run/walk as a fund raiser for the Y Building Fund. Those members present expressed how this even would compete with club race the following morning. Also several were concerned about the safety of running/walking on city streets with potholes during dusk or dark settings. The club will currently not take an active involvement but Trisha was invited to provide our editor with race information to share with our members for individual support.

Meeting adjourned

Those present include Patty Weitzel, Charlie Skoog, Diana Brown, Dan Coughlin, Joe Yeagle, Milt Brown, Myrna Tappen, Ron Greene, Mark Shorter, Linda Kendall, Ricke Stucker, Vicki Boles, Scott Deyoe, and Robin Tetrault.
