

COYOTE KIDS 2014 – Ray & Robin Tetrault

It's time for Coyote Kids! The first night is Thursday, June 5th and every Thursday night (except the 3rd of July) through July. The dates are 6/5, 6/12, 6/19, 6/26, 7/10, 7/17, and 7/24 to make up a rain night if necessary. We can always use volunteers to run, guide, register, help at the finish line, parking, encourage the runners, and pass out popsicles & ribbons

New registrations start at 5:00 pm each Thursday night. The 25 and 50 yard runs start at 6:15pm and will continue until about 6:45 or until everyone has had a chance to run. The 220 yard run starts after warm ups at 6:30 pm. Each race follows when the previous race finishes. Parents can run with their children, but we will also have volunteers from our club to run alongside, guide, and encourage the fast and the slow! So come out and be

part of a life changing program!

If you can come at 4:30 PM to help set up that would be greatly appreciated. We always need help with the parking also. We have great sponsors to thank for allowing us to continue to offer a quality FREE program to families.

Spread the word and check out the website coyotekids.org and the Coyote Kids facebook page for announcements. If you are interested in volunteering please email me at rayrobin@email.com so I can give you your assignments. Several have already committed to being a part. If you don't have young children, please sign up to volunteer.

See you in June on Thursday nights at Coyote Kids!

RRCA GENERAL RUNNING SAFETY TIPS

- ▣ **DON'T WEAR HEADPHONES.** Use your ears to be aware of your surroundings. Your ears may help you avoid dangers your eyes may miss during evening or early morning runs.
- ▣ **Run against traffic so you can observe approaching automobiles.** By facing on-coming traffic, you may be able to react quicker than if it is behind you.
- ▣ **Look both ways before crossing.** Be sure the driver of a car acknowledges your right-of-way before crossing in front of a vehicle. Obey traffic signals.
- ▣ **Carry identification or write your name, phone number, and blood type on the inside sole of your running shoe.** Include any medical information.
- ▣ **Always stay alert and aware of what's going on around you.** The more aware you are, the less vulnerable you are.
- ▣ **Carry a cell phone or change for a phone call.** Know the locations of public phones along your regular route.
- ▣ **Trust your intuition about a person or an area.** React on your intuition and avoid a person or situation if you're unsure. If something tells you a situation is not "right", it isn't.
- ▣ **Alter or vary your running route pattern;** run in familiar areas if possible. In unfamiliar areas, such as while traveling, contact a local RRCA club or running store. Know where open businesses or stores are located in case of emergency.
- ▣ **Run with a partner.** Run with a dog.
- ▣ **Write down or leave word of the direction of your run.** Tell friends and family of your favorite running routes.
- ▣ **Avoid unpopulated areas, deserted streets, and overgrown trails.** Avoid unlit areas, especially at night. Run clear of parked cars or bushes.
- ▣ **Ignore verbal harassment and do not verbally harass others.** Use discretion in acknowledging strangers. Look directly at others and be observant, but keep your distance and keep moving.
- ▣ **Wear reflective material if you must run before dawn or after dark.** Avoid running on the street when it is dark.
- ▣ **Practice memorizing license tags or identifying characteristics of strangers.**
- ▣ **Carry a noisemaker.** Get training in self-defense.
- ▣ **When using multi-use trails, follow the rules of the road.** If you alter your direction, look over your shoulder before crossing the trail to avoid a potential collision with an oncoming cyclist or passing runner.
- ▣ **CALL POLICE IMMEDIATELY** if something happens to you or someone else, or you notice anyone out of the ordinary. It is important to report incidents immediately

The RRCA encourages our members and the press to reproduce and circulate these tips. Please be sure to acknowledge the RRCA as your source for General Running Safety Tips.

A Member's Thank You!

Just a passing along a note of how Club Kokomo impacts our children. Zach Miller just ran his 1st marathon in Carmel today with a time of 3:02.45, qualifying him for the Boston Marathon next year.

The little boy who used to bake his 4H cookies and bring them to Club Kokomo to taste test before submitting them for judging has grown up! The Wiles can attest to this! Club Kokomo is like another family. Zach received much encouragement from CK members when he used to run during his elementary and middle school years.

I do not have any email addresses but Mark Shorter's and Linda's so I am sending this to you guys to say Thank You for all Club Kokomo does! Feel free to pass this along to others because so many people have touched Zach's life.

Even though he now lives around Carmel, perhaps we can connect him with other Boston qualifiers in the future.

Thank you! - Mary Miller -

From the President's Pen

Spring! Glorious spring has arrived! The grass is green, the birds are singing and the runners are running outside. Have you signed up for the "Almost Free" race yet? If you get your registration form in before the deadline, you, as a club member, do not have to pay to participate. This is our club's way of saying "Thank You" for being a member. A few of our regular volunteers will not be at the race. We need you to help! If you volunteer for this CKRR event, you will receive volunteer points. With most of the volunteer jobs, you can still run the race. You will, however, only receive points for the volunteer work and not for running the race.

Some of our newer members have asked how they can earn club points and why they want club points. Let me give you a brief run down. Points are only awarded to club members. If you are not a club member at the time you run a race, and later become one, we do not go back and assign points. So, please get your membership forms in as soon as you can.

Club members in each age division receive: 20 points to any club member who volunteers at a CKRR event (Ultimate, Almost Free, Haynes Apperson, Girl's Night Out, Charity Run, Club Kokomo Cares, and New Year's Eve races). You can earn volunteer points one time and you will not earn race points at the same event. 20 points for 1st place, 15 for 2nd, 12 for 3rd, 10 for 4th, 9 for 5th, 8 for 6th, etc. Age divisions are the same for, runners and walkers, men and women. They are 0-12, 13-19, 20-24, 25-29, 30-34, 35-39, 40-44, 45-49, 50-54, 55-59, 60-64, 65-69, 70-74, 75-79, and 80+. Racing one and/or two half-marathons, and/or marathon and/or one ultra-marathon is good for 20 points.

Now that you know how to get points, you may be wondering what you do with the points you receive. Prizes are awarded at the annual banquet. Both runners and walkers must finish 10 races and be in the top 3 of your group to be eligible for awards (you can keep an eye on your standing, in the monthly newsletter.) Runners and walkers (male or female) in the 0-12, 13-19, 70-74, 75-79, and 80+ age groups must finish 5 races and be in the top 3 of their age group to be eligible for awards. The point's award year is from January 1 through December 31. All awards are presented at the annual awards luncheon.

If you notice what you think is an error, in your points, please contact the newsletter editor and "kindly" present what you believe is the error. Please remember, we are all volunteers.

Hope to see you all at the "Almost Free" race next month.

Chaplain's Chatter

The 90th Kokomo Relays. The Indy Mini. 3 Saturday CK races. Golf. Mushrooms. Motorcicle rides. Free physicals for Howard County athletes at KHS. Mother's Day. Sectional and Regional track meets. The Indy 500. Memorial Day. Fun month!

Our extended family is showing up for dinner and we're really dreading it because some of them are very hard to get along with. Should we just be gracious and pretend that everything is okay, or should we confront them?

Instead of seeing this as a problem, why not ask God to help us see it as an opportunity to bring our family closer together?

How might we do this? One way would be to do all we can to include others in our planning and preparation – even some who aren't normally included. The main thing is to make everyone feel welcome.

Then, pray about this gathering, asking God in advance to defuse any potential problems and hurt feelings, and to make it a time of peace and joy. In addition, begin our meal with a prayer, thanking God not only for the food He has provided, but also for the privilege of being together as a family.

Finally, ask God to help us be an example of grace and kindness to our family. It could do much to calm some who might otherwise be tempted to speak critically or unwisely.

Always thanking God for his gift of grace,
Ricke
