

## Coyote Kids 2014

You would think after 11 years putting on an event would get old....but I am telling you that with the Coyote Kids program it sure does NOT! The best thing is we have introduced SO many kids and families to running! Every year we bring in new families that have never heard of Coyote Kids before. And the numbers have just about stayed the same. This year we had 863 children register. We had 500 and more kids run each Thursday night. That is a LOT of popsicles!

We had a fabulous turnout for the awards night. I ordered 80 pizzas according to last year's numbers, but the families kept on coming in and I had to order 15 more! Thank you to Little Caesar's and Andy Earl (a past runner for Kokomo High School) for doing a superb job getting the pizzas right on the table for us, and the discounting the already incredible price!

It is difficult to make 6 consecutive weeks in the summer with all of the sports activities and family vacations, but we had 137 children come

every single week. It is amazing how they look forward to it and tell their parents "we HAVE to go to Coyote Kids!". Those that attended 4 or 5 of the 6 weeks earned a participation trophy. We had 271 kids do that! That is about half of the kids that registered earned a trophy! We LOVE it!

Ray and I could not do this alone and we have so many people to thank! Those of you that came and helped set up, timed, registered, parked, took pictures, ran, passed out popsicles & ribbons, helped wherever you could, and encouraged the kids-THANK YOU from the bottom of our hearts. I also wanted to share with you some of the thank you messages I got in emails and on Facebook. It's the "juice" that keeps us doing all of this work year after year!

*-We look forward to coyote kids running each week...thanks for all you guys do!!  
The Snyder family*

*-Thank you guys for putting this on. My son really enjoys this weekly event and is always excited to get a popsicles. Chad Strader*

*-And, I would like to give a hearty thanks to the Kokomo Road Runners Club for sponsoring, organizing, and providing such great events throughout the year for the area runners. You all do an awesome job. We are having a fantastic time participating in the different races you put on around Kokomo and the surrounding areas! Thanks! Joe Uncapher.*

*-Thanks for all your work for this race! My children love it. My kids love and look forward to your program. CAROLINE DUNHAM  
Thank you for everything y'all do! Our kids love their coyote run! Bethany Auth*

*-Thank you for this great program. Amiee Hale*

*-Thank you for all you do! Our kids have run in Coyote Kids since they learned to walk and have developed a fondness of running because of you, the other volunteers, and sponsors. Thanks again for volunteering your time and efforts to bless so many in our community! God Bless, Laura Mitchell*

*-Thank you to all the volunteers and sponsors who put together this great program! We are truly blessed to have this free to our community. Mike McKibben*

*- Thanks so much to everyone involved in making this possible for our kids! It was our first year of many more to come! My daughter may have found a sport/hobby at 5 years old that she can practice and enjoy for her whole life! She has enjoyed this so very much! She's ready for next season to hurry up and get here! Thanks again coyote kids! Katie Renkenberger Kemmerling*

Doesn't THAT just make it worth it? And a HUGE thank you to all of our sponsors! Be sure and visit their businesses, take advantage of the services they offer, and say thank you for allowing us to put on such a quality program in our community for FREE!

## August Birthdays

## Chaplain's Chatter

The successful Coyote Kids' season has passed. School starts. 3 CK races are scheduled. Cross country season begins. Friday night football approaches. Fall looms in the distance. Enjoy August.

Can we strengthen our friends' faith? A divorce or any other crisis in our life will shake our faith. But it is our faith and our trust in God that's going to get us through it. David, after suffering great loss, including the loss of a child, wrote in Psalm 27:13, "I would have despaired unless I had believed that I would see the goodness of the Lord in the land of the living." (NASB). He would have given up if he hadn't believed in the goodness of God.

Even in those situations where life stinks and it seems dark, believe that God is a good God. Even when everything is going wrong in our life, believe in the goodness of God that can pull us through. Believe that God's plan for our life is greater than the problem we're going through. Then we can share our faith in God's goodness with our friends when they are going through a crisis. Friends strengthen their friends' faith.

How do we get that kind of faith? The Bible tells us there's only one place to strengthen our faith. Faith comes from knowing the Word of God. If we know the Bible well, we're going to have great faith. If we know this book a little, we're going to have a little faith. If we don't know this book at all, we're not going to have any faith.

Do you know that in the Bible there are more than 7,000 promises made to us? But we can't claim them if we don't know them. If we want to increase our faith so we're able to handle the rogue winds of life, we've got to know the Bible through study, meditation, and memorization. Then, we can help others.

Ask yourself what can you do to get to know God's Word better? Find a promise from God that you can claim for yourself in your storm and then find a promise from God that you can claim for a friend. Ask yourself how God has shown his goodness to you over the past year.

Always thanking God for His gift of grace,  
Ricke
