Club Kokomo Cares 5K Run/Walk November 9th @ 9 a.m.

Webster's definition for charity is: love for one's fellow men, leniency in judging others, generosity toward the needy, help so given, a welfare institution, fund.

If you look at all the parts of the definition each race is a charity race. First there is a need and then love for each other, generosity and helping and we do this without judging.

The proceeds will continue to be given to the magic closets at the junior and senior high school, student assistance and Gilead House. There is no entry fee to this race and all club participants and volunteers receive 20 points. Everyone is asked to make a free will donation. We encourage you to participate and support the Charity Run. There will be a brunch past race with biscuits and gravy, bring your favorite casserole, coffee cake, bread for all to sample. As with any event success is measured by donations and the number of participants either running, walking or volunteering. Please encourage others to participate in this race and as always we need volunteers. The race will be at the UAW 292 Alto Road, November 9th at 9 a.m. For more information call 437-2076 – Jeannie Townsend.

Chaplain's Chatter

High school football is ending. MLB playoffs begin. The cross country tournament series begins. The Colts and Peyton Manning's Broncos are fun to watch. Basketball practice begins in Indiana. October offers much for sports' fans. Enjoy and keep praying for Ray!

Would you like to change your life and get rid of some bad habits, but can't seem to make much progress? Do you need God to help you? Does He expect us to clean up our lives on our own before He'll have anything to do with us?

God doesn't turn his back on us or refuse to have anything to do with us until after we've cleaned up our lives. He knows how weak we are and welcomes us and receives us just as we are because He loves us and wants to help us.

Think of it this way. When you are sick, does the doctor tell you that he won't see you until you're healed? No, of course not. Your doctor is there to help you and accepts you just as you are in order to diagnose your problem and find the right treatment. As Jesus said, "It is not the healthy who need a doctor, but the sick." (Luke 5:31)

The same is true with God. We are sick spiritually-and that sickness is what the Bible calls sin. Like a crippling disease, sin has invaded our souls and separated us from God-and our greatest need is to have our sins forgiven and cleansed. We can't do that on our own, no matter how hard that we try. Only God can take away our sins and help us become what we should be, by the power of His spirit working within us.

How does this happen? It happens only as we turn to Jesus for the forgiveness we need, and ask Him to come into our lives. Let God begin to change you, by turning your life over to Jesus today.

Always thank God for His gift of grace!
